Dear fellow American Christian,

You are holding on of the most powerful tools Christians have had to impact our society during elections – the Christian Coalition voter guide.

I encourage you to help spread this important information to others by making additional copies for distribution. You can make voter guides available in every way possible – in churches, at Christian bookstores, as neighborhood handouts and even outside your local polling station. You can also visit our web site at www.cc.org to find links to this guide which you can forward via email to others. They can then download and print from our site.

This is a crucial election and too much is at stake for God's people to sit on the sidelines. Be sure to make your vote count by going to the polls this coming Election Day!

Sincerely,
Roberta Combs
President, Christian Coalition
