

# Citizenship Sunday

## Register to Vote!

If you're not registered, *you can't vote.*

And if you don't vote, *you don't count!*

In order for Christians to have an impact on our country, we must vote. And in order to vote, you have to be registered. Sadly almost half of all Christians don't even register, much less vote.

Good Christian stewardship of the country God has given us demands good citizenship. And that means voting!

When the next election comes, will you be registered?

Our church will be holding a voter registration drive on \_\_\_\_\_.
